

Test Data

Group Letter: I

Group Members: Md Robiul H Chowdhury, Marufa Ahmed

Semester: Spring 2021

Description: We tested our Laundry room system on web browser(chrome). It works for any other web browsers as well. We also created Diagrams to build our systems. We tested our Gantt Chart system on Gantt software. Then we uploaded our materials on github.com.

Link to our GitHub: https://github.com/robichy98/BMCC_CSC350_SP21_I

Software and languages used for our systems are in following:

- My Sql workbench
- Notepad++
- XAMPP Control Panel
- GanttProject
- Google Chrome
- Lucid App
- Php
- Sql
- CSS
- HTML
- Work document
- Microsoft Excel
- github.com
